

EGUSD Use of Technology in Instruction Application for Educational Use of the Internet

Elk Grove Unified School District provides limited access to the Internet, which includes local, national and international sources of information via its local network. Every EGUSD user has the responsibility to respect and protect the rights of every other user in our community and on the Internet. Student account holders are expected to act in a responsible, ethical and legal manner on the Internet. Students are taught network etiquette and are expected to follow it. To become a user, students and their parents must complete this form and return it to their school.

Students using these systems are subject to having all activities, including e-mail, monitored by system or security personnel. EGUSD has taken all reasonable steps to ensure the Internet is used only for purposes consistent with the curriculum. The district or school cannot prevent the availability of material elsewhere on the Internet that may be deemed harmful or intended for adults, especially to someone determined to find it. Information obtained via the Internet is at the user's risk. Using the network is a privilege, not a right, and a student's privilege may be revoked at any time for unacceptable conduct. Please read the information online at http://www.egusd.net/discover_EGUSD/pdfs/AR_6162_7.pdf

Your signature below gives your permission for your student to use the district's network and Internet access, and also confirms your understanding of the rules associated with the network. You also understand that any user who breaches these guidelines may lose all privileges on the network and/or be subject to appropriate disciplinary or legal actions.
