

# School Accountability Report Card Reported for School Year 2007-2008

*Published During 2008-2009*

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### *DataQuest*

*DataQuest* is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2008-09)

This section provides information about the school, its programs and its goals.

Helen Carr Castello Elementary  
A school with a mission to EXPLORE, DREAM and DISCOVER!

At Helen Carr Castello Elementary we are committed to building a culture of academic excellence and enrichment, maintaining a climate that is welcoming, safe, and nurturing, and celebrating cultural and educational diversity!

Helen Carr Castello Elementary truly provides a unique and wonderful educational experience for children: a safe campus; a warm learning environment; exciting and creative educational opportunities; and rigor and breadth of instruction.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's bold goals. Our success in implementing the district's mission can be evidenced through our school's special strengths, including: an outstanding team of teachers; visual and performing arts and science focus; after school enrichment programs such as science club, math olympiad club, art, drama, dance, band, choir, yearbook, and sports; rigorous and differentiated curriculum supporting all student needs; and during and after school accelerated classes.

As a school, we emphasize student unity, cooperation, and respectful behavior. Additionally, we prioritize maintaining a safe and orderly campus. We ask that everyone visiting campus check in through the school office, helping us to maintain a secure and comfortable environment for our students.

In our fourth year of operation, we are proud that we continue to build programs for students. In the past year, we have enhanced our Visual and Performing Arts and Accelerated Reader programs. Our student leadership program continues to thrive. Our success is a tribute to the partnership that exists between the staff, the community and students.

Thank you and please feel free to contact and/or visit the school.

Ms. Ilesha Graham, Principal  
Helen Carr Castello Elementary

## Opportunities for Parental Involvement (School Year 2008-09)

This section provides information about opportunities for parents to become involved with school activities.

Our partnership with parents increases and sustains our school's sense of community. Parents are encouraged to support their children's schooling by attending school functions like Back to School Night, student performances, parent conferences and Open House. Parents are invited to join our school's very active PTA. The PTA sponsors events that promote a sense of community and raise money for worthy causes. Our parents also play an important role in governance and decision making through the School Site Council, EL and GATE parent advisory groups. You are always welcome to visit and/or volunteer. For more information on parent involvement opportunities, please call the office or PTA at 686-1725.

## III. School Climate

### School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

At Helen Carr Castello Elementary, we believe that nothing should get in the way of the academic achievement of students. One area of emphasis for our students is our positive Character Education program. Each month we have a schoolwide focus on caring, giving, service, justice, fairness, respect, responsibility, trustworthiness, leadership, initiative or teamwork. At Helen Carr Castello Elementary, we believe that these positive assets make a difference in our students' education and social and emotional well-being.

In Spring of 2008, we updated our School Safety and Traffic plan. An "Emergency Handbook" outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills is kept in the school office. Emergency clipboards and flashlights are kept in each classroom. Emergency radios are kept in each building. Emergency drills are conducted monthly. Random, periodic school safety inspections are also conducted. The district's Police Services Department works closely with our school to provide a safe, secure environment for all students.

### Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District

## IV. School Facilities

### School Facility Conditions and Planned Improvement (School Year 2008-09)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Each month, the lead custodian, in collaboration with the site administrator, conducts a thorough inspection of the school grounds utilizing this survey instrument. On a daily basis the custodial team provides supervision and maintenance from 6:30 am - 10:00 pm. During these hours the school facilities are thoroughly cleaned, the classrooms are inspected, the playground is maintained and the restrooms are checked hourly.

Helen Carr Castello Elementary has 36 classrooms, a multipurpose room, a library, a computer lab, and an administration building.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective actions necessary at this time.

### School Facility Good Repair Status (School Year 2008-09)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

At Helen Carr Castello Elementary, we have highly qualified staff members to assist students with specialized learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet grade level standards. Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented/Accelerated students participate in differentiated and accelerated instruction in class, after school and pull-out programs. After school extended day programs include science, math, art, drama, choir, band, dance, yearbook, and sports.

## Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## IX. Student Performance

### California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

### CST Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

## California Physical Fitness Test Results (School Year 2007-08)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pfi/>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	N/A	7	8
Similar Schools	N/A	5	8

## API Changes by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			API Score
	2005-06	2006-07	2007-08	2008
All Students at the School	B	19	13	838
African American	N/A	N/A	N/A	784

## Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

## AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	N/A	Yes

## Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	N/A	Not In PI
First Year of Program Improvement	N/A	N/A
Year in Program Improvement	N/A	N/A
Number of Schools Currently in Program Improvement		N/A
Percent of Schools Currently in Program Improvement		N/A

## Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

For 2008-2009, our school has a professional development emphasis in writing to support the recent purchase of the Step Up to Writing Program. Our intermediate teachers also take part in a district math professional development program for teachers of grades 4-7 that is intended to increase students' conceptual understanding of mathematics. Additionally, our special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities through the Reading First Special Education Professional Development program.

Through our district's Trainer of Trainers (TOT) professional development model, a team of teachers attend training on eliminating the Achievement Gap and then return to the site and train the whole staff on the strategies that they learned.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher (BTSA) program. They meet regularly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.
