

School Accountability Report Card Reported for School Year 2007-2008

Published During 2008-2009

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2008-09)

This section provides information about the school, its programs and its goals.

Welcome to Elitha Donner Elementary School where we believe our children deserve an educational environment that provides all students with the opportunity to become successful life-long learners.

Our entire Elitha Donner Elementary School staff is committed to providing educational experiences for students that promote a desire and willingness to: work hard to learn; be cooperative; develop self-discipline; be responsible for their own behavior; learn how to solve problems; and demonstrate a respect for and trusting acceptance of self and others. Acceptance is communicated through actions within an environment that demonstrates sensitivity to differences in gender, learning and communication styles, customs, and ethnic role-model representation.

Parents and families are our partners. Your involvement and participation is needed and valued. Communication is a vital component to the success of our students. School wide communication folders go home each Monday. Each month, you will receive a school newsletter. Weekly information can be found on the marquees on the corner of the school campus and above the Multipurpose Room. For more specific information, please continue to view our Elitha Donner Elementary School web site at: www.egusd.net/donner as it is updated regularly. Our teachers and staff can also be reached by e-mail or by calling our school office at 683-3073.

Each new school year brings new opportunities and new accomplishments. We look forward with pride to our community coming together again as we continue to achieve high standards at Elitha Donner Elementary School. Thank you in advance for helping to provide the best education possible for your child. This year we will continue to ask students, staff, and parents to give their best effort so that we can maximize learning for every Elitha Donner student.

Elitha Donner Elementary

Opportunities for Parental Involvement (School Year 2008-09)

This section provides information about opportunities for parents to become involved with school activities.

Elitha Donner Elementary School recognizes the vital connection between home and school. Parents are a child's first and most important teachers. When parents participate in their children's education, students are more successful in school. Parental involvement is more important for student achievement than income, social standing, or a parent's education level. All families can help their children succeed by creating a home environment that encourages learning, sharing high but reasonable expectations, and getting involved with their children's education through school and community programs.

Parent involvement helps our school too. We know that when parents are welcome partners in education, the quality of our school increases greatly. Here are just a few ways families can help: visit the school regularly, advocate for your child, attend Parent/Teacher conferences, volunteer, and join the PTA.

Student Enrollment by Grade Level (School Year 2008-09)

III. School Climate

School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

The Elitha Donner Elementary School Preparedness Team has crafted a Comprehensive Safe School Plan to deal with any unforeseen emergency. A crisis response box is located in the school's office and is updated every year. In July of 2008, our staff updated and reviewed our School Safety Plan. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in each classroom and the school office.

Our school continually works to provide a physical environment where all students and staff feel safe, and are able to work and play productively. The Second Step program is used to teach social and emotional skills for violence prevention. This anti-bullying program focuses on developing essential competencies: empathy, impulse control, problem solving, and anger management.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08

IV. School Facilities

School Facility Conditions and Planned Improvement (School Year 2008-09)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Elitha Donner Elementary first opened in 1994 as a "hopscotch" school and all of its buildings were portables. The permanent campus was completed in 1997, and the school grew bigger very quickly! We have 46 classrooms, a large multipurpose room, and an indoor and outdoor stage. In addition, there is a full PC computer lab, as well as student computers in each classroom. We also have a new play structure that was recently expanded and a newly painted playground for our kids to enjoy.

Our custodial crews take pride in the cleanliness and maintenance of our school. To help with their efforts our "Campus Pride" program is in full effect with our students and teachers taking turns weekly to monitor the cleanliness of our school grounds. Monthly Facilities Check Lists are completed and reviewed. Areas of need are immediately addressed to ensure that our students and staff are provided with a clean, safe, and functional learning environment.

The Elk Grove Unified School District governing board has adopted cleaning standards for all schools in the district. Student safety being the highest priority, our district maintenance staff ensures that needed repairs are completed in a timely manner. A work order process is used to ensure efficient service and that repairs are prioritized to ensure student safety. A summary of these standards is available in the school office or the district Facilities Department.

There are no corrective actions necessary at this time.

School Facility Good Repair Status (School Year 2008-09)

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Percent Difference – School Site and State			-11.3%	-1.9%

Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

Our site has many specialized programs to improve student achievement and actively engage students in school. Accelerated Reader (AR) is a computer program that facilitates reading practice by providing students and teachers feedback from quizzes based on the books students read. Our Kindergarten students have the opportunity to become a member of the BEAR - Be Excited About Reading - Club. The GATE/Accelerated learning program is designed for pupils demonstrating a willingness to be challenged to learn at a faster pace, with greater depth in curriculum and above that of his/her grade level standards. All students, individuals, and classes are encouraged to participate in the Oral Language Faire which occurs each year. The Primary Intervention Program serves kindergarten through third grade, and is designed to support students' adjustment to the school environment. Each year a Science Faire is sponsored by the Elk Grove Unified School District, and students are invited to organize and set up science faire projects. Student Leadership is a group of 4th - 6th grade students who have applied and been appointed to represent Elitha Donner in a variety of ways.

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Percent of Budget for Administrative Salaries	4.7%	5.5%

IX. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/apl/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	8	8	8
Similar Schools	8	7	6

API Changes by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

Group	Actual API Change			API Score

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	N/A	Yes

Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	N/A	Not In PI
First Year of Program Improvement	N/A	N/A
Year in Program Improvement	N/A	N/A
Number of Schools Currently in Program Improvement		N/A
Percent of Schools Currently in Program Improvement		N/A

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Our school participates in both district and school site professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Classes for support staff, Para Educators, School Secretaries, Office Clerks, and Custodians are also offered through our school district.

Through the Trainer of Trainers program our team meets three times per year. As part of the Laguna Creek Regional format, our teachers participate in articulation, observation, and training from a Kindergarten through 12th grade perspective. These teams return to the site to share the information learned with school staff. District and site professional learning emphasizes English Language Development Instruction, Special Education, and Intervention Strategies.

New teachers teaching fewer than two years are supported and participate in the beginning teacher program sponsored by our school district. New teachers meet weekly with an experienced mentor teacher throughout the program.
