Hours of Operation

Our office is open from 7:30 a.m. to 4:00 p.m. Monday through Friday. The office staff can assist parents with registering and enrolling their children and can give information about programs at the school.

Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: www.egusd.net.

School Highlights and Awards

- Similar Schools Rank: 9

- Free to Learn Character Education Grant 2007
- Accelerated Reader Program
- Watch D.O.G.S. (Dads of Great Students) Program
- MESA Awards

A Message From the Principal

Maeola R. Beitzel Elementary
Learners Today, Leaders Tomorrow!

The goal of Maeola Beitzel Elementary School is to provide a unique and wonderful educational experience for all children in a safe and caring environment. All aspects of the school contribute to providing children with the skills they need to be successful learners - from the safety of our campus, to the caring environment, to the rigor and breadth of our instructional programs. We believe every child can achieve academic success. To this end, every child will be provided with quality instructional experiences which recognize, support, and maintain high expectations for all students.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Parent support and involvement continue to be important aspects of the success of Maeola R. Beitzel Elementary. This support takes many different forms. Some parents help plan the programs and policies. Others serve as classroom and library volunteers and/or plan family activities. Parents also support student success by providing space, time and encouragement for daily homework and by sending a clear message that education and regular school attendance are important.

Student Demographics

	School	District
Enrollment	870	61,573
English Learners	187	10,241
Languages Spoken	19	72
Students of Poverty	414	29,915
GATE	8	3,784

SOURCE: Enrollment: 2008 CBEDS, California Dept. of Education; Students of Poverty and GATE: October 2008, EGUSD; English Learners and Languages Spoken: March 2008, EGUSD

The safety of our students is this school's first priority and the discipline policy is strictly enforced. We emphasize the character traits of respect, responsibility, and cooperation. Through teamwork, open communication, and a dedication to continuous improvement, we can make our school a place where children develop a love of learning.

Martin Martinez, Principal
Maeola Beitzel Elementary

Parental Involvement

There are a number of ways to become involved with your child's education. Our active PTO sponsors family events including Movie Nights, Family Bingo Night, Parent Picnic Days, the Spring Art Show and Spaghetti Dinner, Spring Jog-a-Thon, and Staff Appreciation Week. Our school has Back to School Night in the fall and Open House in the spring as well as parent conferences throughout the year. For more information on parent involvement activities you may contact the principal at 688-8484.

Teacher Misassignments and Vacancies		2008-2009
Misassignments of Teachers of English Learners		0
Misassignments Due to Subject Matter Competency		0
Teacher Vacancies		0

SOURCE: 2008-2009, EGUSD

In the 2008-2009 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. Our district is working to remedy these misassignments by providing training opportunities for teachers to earn these authorizations and providing ongoing professional development in strategies to help EL students.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this facility survey are summarized in the included table. Our school has 36 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 1995.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective actions necessary at this time.

School Facility Good Repair Status

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes over the last several years. We have reduced class size to 20 to 1 in Kindergarten through 3rd grade, and 26 to 1 in 4th through 6th grades. At the secondary level, certain core classes, such as Algebra I and 9th grade English, have reduced class sizes.

	School Average
Kindergarten	20.0
Grade 1	19.5
Grade 2	20.7
Grade 3	20.2
Grade 4	25.2
Grade 5	26.8
Grade 6	26.0

California Standards Tests (CST)

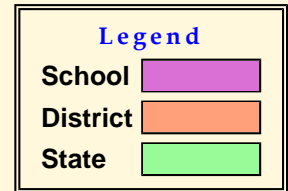

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. Student scores are reported as performance levels. The five performance levels are Advanced, Proficient, Basic, Below Basic, and Far Below Basic. Students scoring at the Proficient or Advanced level meet state standards in that content area.

Data reported are the percent of students scoring at the Proficient or Advanced levels.

Academic Performance Index (API)

The Academic Performance Index is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet. Each year a school's API is required to increase a minimum of 5% until they meet the 800 target overall and for significant subgroups. Schools across the state are ranked into ten categories, from one (lowest) to ten (highest), which is referred to as their statewide rank. In addition, each school is compared to 100 statistically matched similar schools and ranked against this group. This ranking is also ranked into ten categories, from one to ten. These ranks are published when the Base API is released each March.

Growth Score	830
Statewide Rank	8
Similar Schools Rank	9

Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessments by 2014. In order to achieve this goal and meet annual performance objectives, districts and schools must improve each year according to set requirements. A "Yes" in the following table displaying Overall AYP Status indicated that AYP was met for all students and all subgroups.

Schools receiving Title I funding enter federal Program Improvement (PI) if they do not make Adequate Yearly Progress (AYP) for two consecutive years. In the 2008-2009 school year, there are no Program Improvement schools in our district.

Overall AYP Status Met	Yes
Program Improvement	N/A

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For 2008-2009, our school has a professional development emphasis in writing. Through our district's Trainer of Trainers program, four times per year a team of teachers attends training on best teaching practices and returns to the site and shares the information they learned with the whole staff.

Our teachers also take part in a district math professional development program for teachers of grades 3-7 that is intended to increase students' conceptual understanding of mathematics. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

Your child's safety is important to us at Maeola Beitzel Elementary. We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in January 2009. Practice of safety drills occurs on a monthly basis. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Specialized Programs

Maeola Beitzel Elementary has highly qualified staff to assist students with special learning needs. Our Learning Center provides instruction not only to special education students, but also to general education students who need additional support to meet the standards. Bilingual Teaching Associates help our English Learners access the core curriculum. Academically talented students in grades 3-6 may participate in our GATE and after school program that meets weekly. Students who need extra instruction are invited to participate in our intersession and extended day programs. Maeola Beitzel currently has a before school band program for grades 4-6 and Visual and Performing Arts program for grades K-6 during the school day.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
