Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: www.egusd.net.

A Message From the Principal

C.W. Dillard Elementary School
A Community of Lifelong Learners!

C.W. Dillard Elementary School truly provides a unique and wonderful educational experience for children, from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

Our success in implementing the district's mission can be evidenced through our school's special strengths, including:

- An outstanding team of dedicated, experienced, and caring teachers
- Sustained academic achievement on the Academic Performance Index for the last six years

Parent support and involvement continue to be important aspects to the success at C.W. Dillard Elementary School. From providing guidance through the Site Council, assisting the PTA in their functions, serving as classroom and library volunteers, to planning activities or attending field trips, our parent community is vital to the success of the school. Parents support students and send a clear message that education and regular attendance are important to the family. It is this team effort which makes every student successful at C.W. Dillard Elementary.

The safety of our students is this school's first priority and the discipline policy is strictly enforced. We emphasize cooperative, responsible, and respectful behavior. All adults visiting campus are required to check in through the school office. The atmosphere of the school makes students feel comfortable and secure.

Through teamwork, open communication, and a common goal of continuous improvement for children, C. W. Dillard Elementary is a welcome haven for children.

Clark Burke, Principal
C.W. Dillard Elementary

Parental Involvement

There are many ways to become involved with your children's education. Our school has an active PTA that raises much needed dollars to support school activities. Each year we have Back to School Night and Open House. Parent conferences are held on an as needed basis during the year. You are always welcome to volunteer in your child's classroom or become involved by joining the PTA or the School Site Council. For more information on parent involvement opportunities, you may contact the school office at 687-6121.

Teacher Credentials and Misassignments

Teacher Credentials

2007-2008

Total Number of Teachers	26
Total Full Credentials	26

SOURCE: 2007-2008 CBEDS, California Dept. of Education

In the 2008-2009 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. Our district is working to remedy these misassignments by providing training opportunities for teachers to earn these authorizations and providing ongoing professional development in strategies to help EL students.

Teacher Misassignments and Vacancies

2008-2009

Misassignments of Teachers of English Learners	0
Misassignments Due to Subject Matter Competency	0
Teacher Vacancies	0

SOURCE: 2008-2009, EGUSD

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

School Facility Conditions and Planned Improvement

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. Included is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

C. W. Dillard campus was built in mid 1956 and modernized in 1999. We have 23 classrooms, a large multipurpose room, which also houses our stage; a computer lab with 36 computers; and a library with over 9,500 volumes. We are proud of our campus and strive to keep our school in good repair so that it is clean, safe, functional, and provides an orderly environment for teaching and learning. Regular inspections of the buildings and the playground are conducted by our Lead Custodian. Future improvement is planned to maintain a beautiful and safe campus for students.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective actions necessary at this time.

School Facility Good Repair Status

Date of facilities inspection: 6/14/07

Item Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Gas Leaks	x			None
Mechanical Systems	x			None

Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes over the last several years. We have reduced class size to 20 to 1 in Kindergarten through 3rd grade, and 26 to 1 in 4th through 6th grades. At the secondary level, certain core classes, such as Algebra I and 9th grade English, have reduced class sizes.

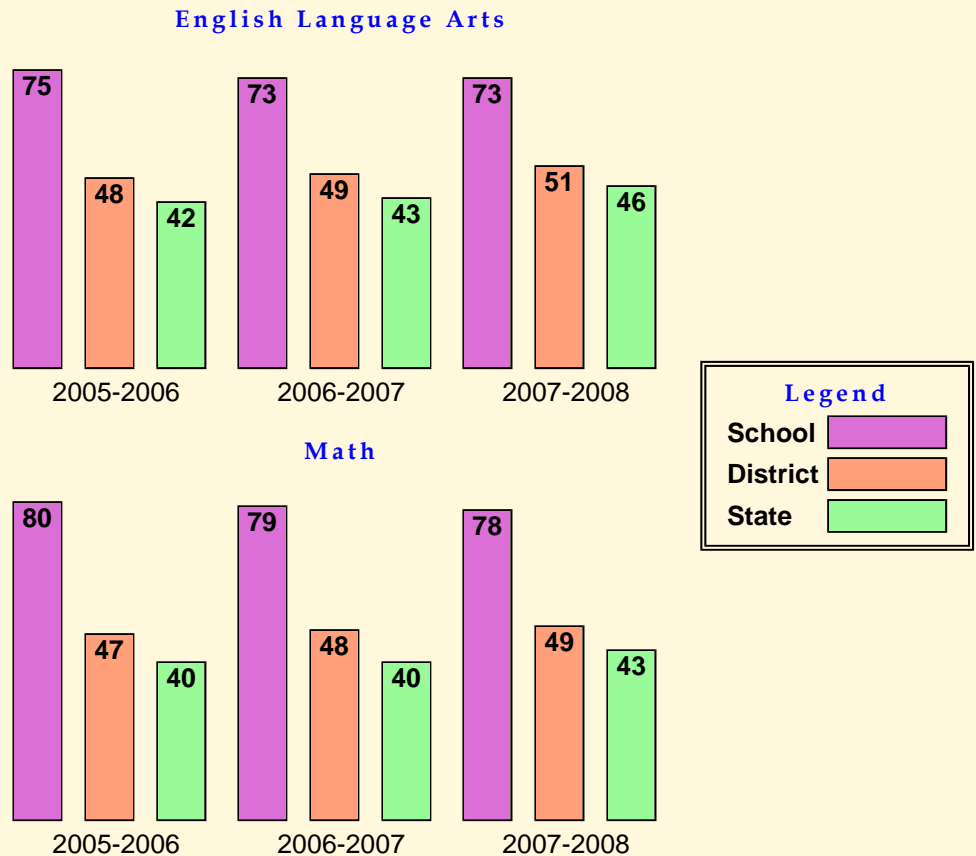

School Average	
Kindergarten	20.0
Grade 1	20.0
Grade 2	20.0
Grade 3	20.0
Grade 4	26.0
Grade 5	26.0
Grade 6	26.0

California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. Student scores are reported as performance levels. The five performance levels are Advanced, Proficient, Basic, Below Basic, and Far Below Basic. Students scoring at the Proficient or Advanced level meet state standards in that content area.

Data reported are the percent of students scoring at the Proficient or Advanced levels.

SOURCE: Spring 2008, California Dept. of Education

Academic Performance Index (API)

The Academic Performance Index is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet. Each year a school's API is required to increase a minimum of 5% until they meet the 800 target overall and for significant subgroups. Schools across the state are ranked into ten categories, from one (lowest) to ten (highest), which is referred to as their statewide rank. In addition, each school is compared to 100 statistically matched similar schools and ranked against this group. This ranking is also ranked into ten categories, from one to ten. These ranks are published when the Base API is released each March.

Growth Score	885
Statewide Rank	9
Similar Schools Rank	10

SOURCE: 2007-2008, California Dept. of Education

Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessments by 2014. In order to achieve this goal and meet annual performance objectives, districts and schools must improve each year according to set requirements. A "Yes" in the following table displaying Overall AYP Status indicated that AYP was met for all students and all subgroups.

Schools receiving Title I funding enter federal Program Improvement (PI) if they do not make Adequate Yearly Progress (AYP) for two consecutive years. In the 2008-2009 school year, there are no Program Improvement schools in our district.

Overall AYP Status Met	Yes
Program Improvement	N/A

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For 2008-2009, our school has a professional development emphasis in writing. Through our district's Trainer of Trainers program, four times per year a team of teachers attends training on best teaching practices and returns to the site and shares the information they learned with the whole staff. Teachers utilize weekly staff, leadership, and grade level team meetings to confer and review student work; make determinations about students' strengths and weaknesses; and plan subsequent instruction to meet students' needs.

Our teachers also take part in a district math professional development program for teachers of grades 3-7 that is intended to increase students' conceptual understanding of mathematics. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

School Safety Plan

At C.W. Dillard Elementary, we believe that nothing should get in the way of the academic achievement of our students. It is important that our students feel safe. Our district is committed to providing a safe, secure environment for learning. Our staff reviewed and updated our School Safety Plan in October 2008. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office. Random, periodic school safety inspections are conducted by the County of Sacramento. Once per month, drills are performed by the entire student body and staff. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Specialized Programs

At our school, we have highly qualified staff to assist students with special learning needs. Our Learning Center services special education students, as well as general education students who need additional support to meet the standards. Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction and a before school extended day program. Students who need extra tutoring or homework help can participate in after school programs. Meeting the needs of our students is very important to the staff at C.W. Dillard Elementary School.

Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$40,047	\$40,721
Midrange	\$59,384	\$65,190
