**Hours of Operation**

Our office is open from 7:30 a.m. to 4:00 p.m. Monday through Friday. The office staff can assist parents with registering and enrolling their children, and can give information about programs at the school.

**School Highlights and Awards**

- Academic Performance Index (API) continuous growth over the past 8 years with a current score of 904
- 2002-2009 - Junior National Young Leaders Program
- Elk Grove Unified School District 2008-2009 Teacher of the Year
- Sacramento County Teacher of the Year

**Introduction from the Board**

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: [www.egusd.net](http://www.egusd.net).

**A Message From the Principal**

Elliott Ranch Elementary  
 A Community of Lifelong Learners!

Elliott Ranch Elementary truly provides a unique and wonderful educational experience for children, from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing students with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential.

**Student Demographics**

	School	District
Enrollment	933	62,218
English Learners	88	9,946
Languages Spoken	15	81
Students of Poverty	160	31,795
GATE	49	3,707

SOURCE: 2009-2010, EGUSD

Our success in implementing the district's mission can be evidenced through our school's special strengths, including

- Highly qualified teachers and remarkable support staff
- Focus on meeting the individual academic needs of students
- Continuous cutting edge staff development

Parent support and involvement continue to be important aspects of our success. This support is given, recognized, and appreciated in many different ways. Some parents help plan the programs and policies, while others serve as classroom and library volunteers, plan family activities, or work as art docents. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

The safety of our students is our school's first priority and the discipline policy is strictly enforced. We emphasize cooperation and responsible, respectful behavior. All adults visiting the campus are required to check in through the school office. The atmosphere of the school makes our students feel comfortable and secure.

**Population by Ethnicity**

SOURCE: 2009-2010, EGUSD

In our seventh year of operation, we are proud that we continue to build programs for students. In the past few years, we enhanced the popular Art Docent program, added schoolwide P.E., Accelerated Reader, and Watch D.O.G.S. (Dads of Great Students) programs. Our student leadership program continues to thrive. Our success is a tribute to the partnership that exists between the staff, the community, and students.

Dr. Mary Rountree, Principal  
 Elliott Ranch Elementary

**Parental Involvement**

There are a number of ways to become involved with your child's education. Our school has an active PTO that supports family involvement and helps fund our library, technology, and classroom supplies. We have Back to School Night in the fall and parent conferences during the year. You are always welcome to volunteer in your child's classroom, attend parent conferences and Back to School Night, and join the PTO or the School Site Council. An active art docent program is in place in every classroom.

## Teacher Credentials and Misassignments

Teacher Credentials		2008-2009
Total Number of Teachers		52
Total Full Credentials		52

SOURCE: 2008-2009, California Dept. of Education

Teacher Misassignments and Vacancies		2009-2010
Misassignments of Teachers of English Learners		0
Misassignments Due to Subject Matter Competency		0
Teacher Vacancies		0

SOURCE: 2009-2010, EGUSD

In the 2008-2009 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. Our district is working to remedy these misassignments by providing training opportunities for teachers to earn these authorizations and providing ongoing professional development in strategies to help EL students.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

## School Facility Conditions and Planned Improvement

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this facility survey indicated that all areas met standards. School construction was completed in 2002 and the facilities are beautifully maintained.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. Administrative staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective actions necessary at this time.

## School Facility Good Repair Status

Date of facilities inspection: 6/1/2009

Item Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	x			NA
<b>Interior:</b> Interior Surfaces	x			NA
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	x			NA

## Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes over the last several years. We have reduced class size to 20 to 1 in Kindergarten through 3rd grade, and 26 to 1 in 4th through 6th grades. At the secondary level, certain core classes, such as Algebra I and 9th grade English, have reduced class sizes.

School Average	
Kindergarten	20.0
Grade 1	20.0
Grade 2	20.0
Grade 3	19.9
Grade 4	26.0
Grade 5	26.0
Grade 6	25.8

SOURCE: 2008-2009, California Dept. of Education

## California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. Student scores are reported as performance levels. The five performance levels are Advanced, Proficient, Basic, Below Basic, and Far Below Basic. Students scoring at the Proficient or Advanced level meet state standards in that content area.

Data reported are the percent of students scoring at the Proficient or Advanced levels.

SOURCE: 2008-2009, California Dept. of Education

## Academic Performance Index (API)

The Academic Performance Index is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet. Each year a school's API is required to increase a minimum of 5% until they meet the 800 target overall and for significant subgroups. Schools across the state are ranked into ten categories, from one (lowest) to ten (highest), which is referred to as their statewide rank. In addition, each school is compared to 100 statistically matched similar schools and ranked against this group. This ranking is also ranked into ten categories, from one to ten. These ranks are published when the Base API is released each March.

Growth Score	904
Statewide Rank	9
Similar Schools Rank	10

SOURCE: 2008-2009, California Dept. of Education

## Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessments by 2014. In order to achieve this goal and meet annual performance objectives, districts and schools must improve each year according to set requirements. A "Yes" in the following table displaying Overall AYP Status indicated that AYP was met for all students and all subgroups.

Schools receiving Title I funding enter federal Program Improvement (PI) if they do not make Adequate Yearly Progress (AYP) for two consecutive years.

	School	District
Program Improvement Status	NA	In PI
First Year of Program Improvement	NA	2009-2010
Year in Program Improvement	NA	Year 1

SOURCE: 2008-2009, California Dept. of Education

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For 2009-2010, our school has a professional development emphasis in science, English Language Development, and accelerated programs. In addition, our teachers meet at least once a month and participate in professional development. Teachers also meet as a grade level team to review student data, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs.

Our teachers also take part in a district math professional development program for teachers of grades 3-7 that is intended to increase students' conceptual understanding of mathematics. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the district offers a variety of classes for support staff. Paraeducators, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

## School Safety Plan

Your child's safety is important to us at Elliott Ranch Elementary. We believe that nothing should get in the way of the academic achievement of our students, which is why it is important that our students feel safe. Our district is committed to providing a safe, secure environment for learning. Our staff last reviewed and updated our School Safety Plan in January 2010. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

## Specialized Programs

At our school we have highly qualified staff to assist students with special learning needs. Our Learning Center services not only special education students, but also general education students who need additional support to meet the standards. Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction and a variety of sports and clubs are made available to all students. Students in grades 4-6 may participate in an after school band program.

## Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$40,047	\$42,065
Midrange	\$59,384	\$67,109
Highest	\$82,031	\$86,293
<b>Principals</b>		
Elementary	\$109,249	\$107,115
Middle	\$108,438	\$112,279
High	\$120,350	\$122,532
<b>District Superintendent</b>	\$237,664	\$216,356
<b>Share of budget used for</b>		
Teachers' salaries	43.5%	39.4%
Administrative salaries	4.4%	5.5%
