### Hours of Operation

Our office is open from 8:00 a.m. to 4:30 p.m. Monday through Friday. Parents are always welcome to visit the office to address any questions or concerns they may have about the school or their children. The office staff can assist parents with registering and enrolling their children and can give information about programs at the school.

### School Highlights and Awards

- 2008 California Distinguished School nominee
- 2006 & 2007 State Title I Academic Achievement Award
- Bob Trigg Invitational Track meet winners in 2005, 2006, 2007 & 2008

### Student Demographics

	School	District
Enrollment	1,072	61,573
English Learners	235	10,241
Languages Spoken	24	72
Students of Poverty	610	29,915
GATE	16	3,784

### Introduction from the Board

Thank you for your interest and commitment to your child's education, and your continuing partnership in teaching and learning. In order to best serve our community, we have created this condensed version of the full School Accountability Report Card (SARC) with the mission of presenting information about each of our schools in a clear, parent friendly format. If you are interested in viewing the full SARC report for your child's school, you will find it at the district website: [www.egusd.net](http://www.egusd.net).

### A Message From the Principal

Dear Families,

All of us at Irene B. West Elementary School want to make this a very successful year for your child. The goal of our school is to provide each student with a challenging and rigorous curriculum. We believe every child can achieve academic success. To this end, every child can be provided with quality instructional experiences which recognize, support and maintain high expectations for all students.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. The staff at Irene B. West is trained and highly qualified.

As your principal, you can expect that I will reach out to you and seek your support, ideas, and involvement. Get involved and engaged in your child's education as we collectively prepare our children for the future. I pledge to do my best to ensure that each child is challenged, affirmed, and provided with a safe and stimulating learning experience.

Kind regards,

Dr. Marty Powers, Principal  
Irene B. West Elementary

### Parental Involvement

There are a number of ways to become involved with your child's education. Our school has an active PTA that raised thousands of dollars through sales, jog-a-thons, carnivals, movie nights, game nights, skate nights, and community dinners last year. You are always welcome to volunteer in your child's classroom. Parents may also become involved by attending parent conferences, Back to School nights, and by joining the PTA or School Site Council. For more information on involvement opportunities, you may contact Dr. Marty Powers at 683-4362.

**Teacher Credentials and Misassignments**

<b>Teacher Credentials</b>		<b>2007-2008</b>
Total Number of Teachers		61
Total Full Credentials		61

<b>Teacher Misassignments and Vacancies</b>		<b>2008-2009</b>
Misassignments of Teachers of English Learners		0
Misassignments Due to Subject Matter Competency		0
Teacher Vacancies		0

SOURCE: 2008-2009, EGUSD

In the 2008-2009 school year, over 99 percent of the district's teachers held full teaching credentials. In addition to being fully credentialed, if a class is 20 percent or more English Learners (EL), the teacher should hold a supplementary authorization to instruct students in learning English or they are considered misassigned. Our district is working to remedy these misassignments by providing training opportunities for teachers to earn these authorizations and providing ongoing professional development in strategies to help EL students.

In subjects with a shortage, a fully credentialed teacher is sometimes asked to teach outside of their subject matter competency area until an appropriately credentialed teacher can be hired. In these cases, teachers are counted as misassigned.

Vacancies are defined as a position to which a permanent teacher has not been assigned by the beginning of the course. Most vacancies in our district are in subject areas where qualified teachers are in shortage.

**School Facility Conditions and Planned Improvement**

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction.

Included is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Irene B. West has 38 classrooms, a large multipurpose room, which also houses our stage; a computer lab with over 40 computers; and a library with over 10,000 volumes. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provides an orderly environment for teaching and learning. Regular inspections of the buildings and the playground are conducted at our school site by the lead custodian.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

There are no corrective actions necessary at this time.

**School Facility Good Repair Status**

Date of facilities inspection: 6/11/08

Item Inspected	Repair Status			Repair Needed
	Good	Fair	Poor	
Gas Leaks	x			None

## Class Size

In Elk Grove schools, our research shows that small class sizes lead to higher student engagement and academic achievement. It has been a top priority in our district to reduce class sizes over the last several years. We have reduced class size to 20 to 1 in Kindergarten through 3rd grade, and 26 to 1 in 4th through 6th grades. At the secondary level, certain core classes, such as Algebra I and 9th grade English, have reduced class sizes.

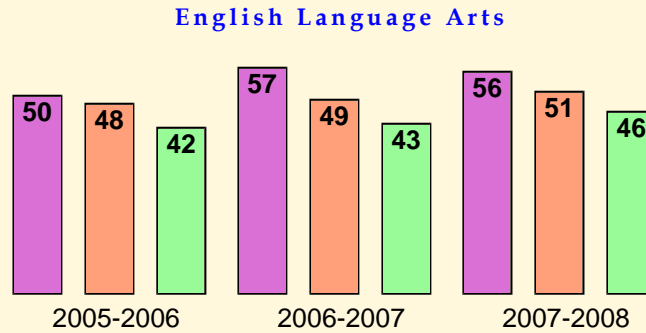

School Average	
Kindergarten	20.0
Grade 1	20.0
Grade 2	20.0
Grade 3	19.7
Grade 4	26.0
Grade 5	26.4
Grade 6	25.7

SOURCE: 2008 CBEDS, California Dept. of Education

## California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. Student scores are reported as performance levels. The five performance levels are Advanced, Proficient, Basic, Below Basic, and Far Below Basic. Students scoring at the Proficient or Advanced level meet state standards in that content area.

Data reported are the percent of students scoring at the Proficient or Advanced levels.

## Academic Performance Index (API)

The Academic Performance Index is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet. Each year a school's API is required to increase a minimum of 5% until they meet the 800 target overall and for significant subgroups. Schools across the state are ranked into ten categories, from one (lowest) to ten (highest), which is referred to as their statewide rank. In addition, each school is compared to 100 statistically matched similar schools and ranked against this group. This ranking is also ranked into ten categories, from one to ten. These ranks are published when the Base API is released each March.

Growth Score	815
Statewide Rank	8
Similar Schools Rank	10

SOURCE: 2007-2008, California Dept. of Education

## Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessments by 2014. In order to achieve this goal and meet annual performance objectives, districts and schools must improve each year according to set requirements. A "Yes" in the following table displaying Overall AYP Status indicated that AYP was met for all students and all subgroups.

Schools receiving Title I funding enter federal Program Improvement (PI) if they do not make Adequate Yearly Progress (AYP) for two consecutive years. In the 2008-2009 school year, there are no Program Improvement schools in our district.

Overall AYP Status Met	Yes
Program Improvement	N/A

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. For 2008-2009, our school has a professional development emphasis in instructional techniques to engage students in writing, literature and Science. Through our district's Trainer of Trainers program, three times per year a team of teachers attends training on best teaching practices and returns to the site and shares the information they learned with the whole staff. Teachers use this time to meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs.

Our teachers also take part in a district math professional development program for teachers of grades 3-6 that is intended to increase students' conceptual understanding of mathematics. Additionally, special education teachers have numerous opportunities to learn how to best meet the needs of students with learning disabilities.

New teachers who have been teaching fewer than two years are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms.

Finally, the Irene B. West staff has monthly after school professional development classes along with district offerings of access to additional support. Instructional aides, school secretaries, office clerks, and custodians may take classes that relate to their work such as learning new computer skills and learning to work more efficiently and in ergonomically correct ways.

## School Safety Plan

Your child's safety is important to us at Irene B. West Elementary. We believe that nothing should get in the way of the academic achievement of our students. Our district is committed to providing a safe, secure environment for learning. Our staff reviews and updates our School Safety Plan annually, and it was last reviewed in February 2008. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the office of our school. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

## Specialized Programs

At our school we have highly qualified staff to assist students with special learning needs. Our Learning Center services special education students. Bilingual Teaching Associates help our English Learners access the core curriculum. Gifted and Talented students and high achievers participate in accelerated instruction within the classroom. We host the Deaf & Hard of Hearing Program as well as the Independent Living Skills students on our campus.

## Average Salaries

Data reported are the district's average salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by Education Code Section 41409.

Teachers	EGUSD 50,000+ ADA	State Average 20,000+ ADA
Beginning	\$40,047	\$40,721
Midrange	\$59,384	\$65,190
