

California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year
Published During 2023 - 2024

For: Arnold Adreani Elementary

Address: 9927 Wildhawk West Dr, Sacramento, CA 95829
Principal: Julie Hughes

Phone: 916-525-0630
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023 - 2024)

Arnold Adreani Elementary -
A Community of Lifelong Learners!

Arnold Adreani Elementary School provides a unique and wonderful educational experience for children - from the safety of our campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing children with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We focus on supporting our students in reaching our district's bold goals.

Through the efforts of our staff, students and families, we have maintained the highest CAASPP scores in EGUSD under the rigor of California's state standards in English/Language Arts and Math. We know our students will continue to achieve at the highest level and appreciate the Adreani community's commitment to strong academics.

Our success in implementing our district's mission can be evidenced through our school's special strengths: Positive Behavior Intervention Systems (PBIS), physical education, technology instruction, high expectations for all students and GATE. In addition, we frequently celebrate students for their behavioral and academic success. Parent support and involvement are part of the foundation that contributes to the success of Arnold Adreani Elementary. Some serve as classroom or library volunteers, while others plan family events and activities. Parents also support student success by providing space, time and encouragement for daily homework and by sending a clear message that education and regular school attendance are important to the family. Staff and students alike deeply appreciate the contributions of our community.

The safety of our students is this school's first priority and the behavior expectations are equitably reinforced. We emphasize safe, respectful, and responsible behavior...we call this, "The Wildhawk Way." All adults visiting the campus are required to check in through the school office. This is all part of our priority of making students feel comfortable and secure on campus.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Arnold Adreani Elementary School has 36 classrooms, a multipurpose room, a library, a Learning Center, one computer lab and an administration building. We have two separate playgrounds: one for Transitional Kindergarten and Kindergarten students, and one for 1st through 6th grade students. The campus was completed in 2005 and the school opened for the 2005-2006 school year in August of 2005.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

Our maintenance and grounds departments work in concert with site custodial team to ensure that school buildings and grounds are maintained at exceptional levels to provide a safe and functional environment for all. We utilize the latest electronic work order system enabling administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are resolved by either or district staff. Custodial and Administration work as a team to develop a daily cleaning process and schedule. Each morning the Lead Custodian inspects the school prior to students and staff entering the grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

No projects are in process at this time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Our actively engaged community is one of the hallmarks to our success. We have frequent opportunities to be involved on campus both through an active PTA and supportive staff. Our School Site Council assists the principal with important governance decisions. We have the Watch D.O.G.S program in which dads volunteer a day on campus. Please join us for Back to School Night in the fall, Open House in the spring, or myriad of other excellent events. Please contact our principal, Mrs. Hughes or the front office at 525-0630 for further information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2023 - 2024)

At Arnold Adreani Elementary School, we believe that safety is foundational to academic achievement. We begin and end each day with staff supervision of crosswalks, morning lines and drop off/dismissal. All visitors must check in the office using our Complete Campus Security System. Supervision of students is provided before and after school hours. All parent volunteers and chaperones must be fingerprinted. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our staff and School Site Council reviewed and updated our School Safety Plan in January 2023. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, and lockdowns, is kept in the school office and all classrooms.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Arnold Adreani Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center provides support for our students with IEPs. English Learners are provided after school tutoring and classroom intervention from teachers through differentiated and designated ELD instruction with the use of the Wonders curriculum. GATE students participate in accelerated instruction within the classroom setting as well as after school. As a site, we focus on providing incentive programs for our students such as: Accelerated Reading Academy, Principal's Writing Club, WOW Tickets, Math Club, Student of the Week, Honor Roll, Perfect Attendance, Student Leadership, Science Olympiad and additional classroom incentives. For kindergarten students, we have B.E.A.M. (Be Excited About Math) and B.E.A.R. (Be Excited About Reading) awards.

Professional Development

Our district offers a variety of professional learning opportunities for all staff. As a site, we are currently focusing on the implementation of Illuminate to allow assessment to drive our instruction and intervention. This is an important component of the framework for high quality instruction. Our focus at Adreani remains on strong teacher efficacy through Professional Learning Communities and the bolstering of instruction focused on specific student needs. In addition, we continue to integrate opportunities for our students to access resources via Chrome Books both with the curriculum and in preparation for state testing. During weekly grade level meetings, teachers meet and review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs.
