

## California Department of Education School Accountability Report Card

Reported Using Data from the 2022 - 2023 School Year  
Published During 2023 - 2024

### For: Elliott Ranch Elementary

**Address:** 10000 E Taron Dr, Elk Grove, CA 95757  
**Principal:** Catherine Van Housen

**Phone:** 916-714-3700  
**Grade Span:** K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2023 - 2024)

At Elliott Ranch, we strive to provide a well-rounded experience - from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. Our mission is to assure that every student is learning in every classroom every day.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing the district's mission can be evidenced through our school's strengths, including:

- Highly qualified and collaborative teachers and remarkable support staff;
- Focus on meeting the individual academic needs of students; and
- Opportunities for students in class and out for a variety of extension activities.

Elliott Ranch is built on a solid foundation of good citizenship, a life-long love of learning, and tremendous parental support. Our teachers hold weekly grade-level meetings to analyze student progress and make decisions about remediation and enrichment. We are proud to offer such programs as our Reading Counts incentive program, and to fill learning gaps for individual students through our Academic Intervention Teacher tutoring.

Elliott Ranch parents support a world-class PTO organization that provides classroom support, fundraising, and collaboration with staff and administration. Our PTO supports Back-to-School activities, our annual Harvest Festival, Fun Run and Spring Fling, plus music and art classes. Our success is a tribute to the partnership that exists between the staff, the community, and the students.

The physical and social/emotional safety of our students is this school's first priority and is achieved through the Positive Behavior Intervention and Support tiers of support. Elliott Ranch's school-wide expectations are: Be Safe, Be Respectful, and Be Responsible. All visitors are required to check in through the school office.

Elliott Ranch is a proud community of extreme learners! Go Extreme Rockets!

## School Facility Conditions and Planned Improvements (School Year 2023 - 2024)

Our school was built in 2000 and includes 38 classrooms, a multipurpose room, a library/learning center, a computer lab and an administration building. Four portable classrooms were installed in 2011 for Class Size Reduction. Our campus includes an expansive playground with two shade structures and outdoor tables. The playground equipment was expanded in spring of 2015. Our running track was renovated in the fall of 2016. All of our fencing was replaced in 2021. PTO is focusing in 2023 on adding shade sails to our Kindergarten playground and refreshing the playground blacktop games.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels. The district utilizes an electronic work order system, enabling site administration and custodians to communicate maintenance projects or urgent needs. The school's custodians work as a team with the principal to develop a daily cleaning process and schedule. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

PTO is working in 2023 to add shade sails in the Kindergarten playground and new painted games on our playgrounds. Last year we installed a new 8-foot outdoor covered bulletin board in our quad to display student work and cultural celebrations. Two years ago, we completed a multicultural mural in the quad honoring the theme "Explore" and our entire fence was rebuilt.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing state-administered assessments Percentage of Students Meeting or Exceeding the State Standards

Subject	School 2021 - 2022	School 2022 - 2023	District 2021 - 2022	District 2022 - 2023	State 2021 - 2022	State 2022 - 2023
English Language Arts/Literacy (grades 3-8 and 11)	77%	74%	52%	51%	47%	46%
Mathematics (grades 3-8 and 11)	67%	64%	40%	40%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2023 - 2024\)](#)

Our school has a strong PTO that supports family involvement, coordinates a variety of school events, and helps fund our library, technology, supplies and music lessons. Events include Back to School Night, Open House, Harvest Festival, Fun Run, Multicultural Festival and Spring Fling. Parents serve on our School Site Council and Equity Council. Parents also serve as Art Docents and classroom volunteers. Contact Principal Catherine Van Housen at [cvanhous@egusd.net](mailto:cvanhous@egusd.net) to find out about parent involvement opportunities.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### [School Safety Plan \(School Year 2023 - 2024\)](#)

Elliott Ranch Elementary staff is committed to providing a safe, secure environment for learning. Our School Safety Plan, outlining a plan of action for emergencies such as earthquakes, fires, floods, chemical spills and other crises, is kept in the school office and was updated and reviewed with staff in September 2023. Our students are supervised by staff before and after school and we are a locked campus; all campus visitors are required to sign in with the office. We schedule routine emergency drills and random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students.

Note: Cells with N/A values do not require data.

**Types of Services Funded (Fiscal Year 2023 - 2024)**

At Elliott Ranch, we have highly qualified staff to assist students with special learning needs. Our Learning Center services students with IEPs who attend in our general education settings, but who need additional support to meet the standards. We have several self-contained classrooms for our students with learning disabilities who require more intensive supports to flourish. Our English Language Development instruction, five days per week, helps our English Learners access the core curriculum. Gifted and Talented students participate in accelerated instruction in an after-school program for 4th-6th graders. Students in grades 4-6 may also participate in our after-school band program. Extracurricular activities include basketball, volleyball, Running for Rhett, Homework club, Gardening club, Student Leadership, Black Student Union, Latino Student Union and Sign Language Club.

Note: For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff, focused on the Framework for High Quality Instruction, as well as continuing to learn about Diversity, Equity and Inclusion. Our teachers meet weekly in grade-level teams to review student data, make determinations about students' strengths and challenges, and plan subsequent remediation and enrichment. Many of our teachers are trained in Heggerty Phonemic Awareness, and each grade level has a Focused Instructional Team leader who leads our Data Dialogue Days. We have several teachers who mentor young educators in their administrative credential programs. We also have teachers serving on district curriculum steering committees, including developing curriculum for the new technology standards. Our sixth-grade teachers work closely with their middle school peers to ensure our students are ready for the rigors of middle school.
